Email completed entry form to: huckleberryfestival@gmail.com

Questions? Call Allison Hatzenbuhler at (408) 891-1441

- I have attached a copy of the Idaho Drivers license for the operator of this vehicle in the Parade, as well as a copy of the current automobile insurance.
- Not applicable (our parade entry has no motorized vehicle)

General Release: I do hereby release and discharge the Donnelly Chamber of Commerce, the State of Idaho, the Idaho Transportation Department, and it's agencies, as well as all agencies participating in the Donnelly Huckleberry Festival Parade, all volunteers and sponsors from and against all liability to any participants, his/her spouse, legal representatives, heirs or next of kin for any and all loss or damage, and/or claim, suit or demand on account of injury to the person or property of the participant or resulting in the death of the participant, arising out of, or the result of participation in the above named activity. Participant certifies that he/she has carefully read the above provisions, knows and understands the contents, and signs this General Release of his/her own free act.

Participant Name (please print) _____

Participant Signature _____ Date: _____

Parent/Guardian Signature (if participant is a minor) _____

- I have read the Donnelly Chamber of Commerce Parade Guide and hereby agree to follow all policies, rules and regulations stated herein. See back.

Donnelly Chamber of Commerce Parade Guide

TOW VEHICLES: Tow vehicles shall have all windows on the vehicle in the down position. Communication with the driver is essential and rolling all windows down will facilitate this communication. Note that amplified music either from within or outside the tow vehicle may be competing for the tow vehicle driver's attention.

Stay Seated • Fasten Seat Belts • Think Safety

The parade is an "all forward motion" event with no planned stoppages. Performing groups should choreograph routines to maintain forward motion at the parade pace.

Parade staff members have the authority to request that a parade entry speed up or slow down to manage the gap between parade entrants.

Other than mechanical breakdown or other obvious apparatus problems, all entries will complete the parade route once the parade has started. In the case of a mechanical breakdown, every effort must be made to move the apparatus away from the central parade route, to a shoulder or side street.

Only 1 motor vehicle per entry is permitted, the exceptions being car and motorcycle clubs who may have up to 12 motor vehicles per entry.

Equestrian entries are limited to 12 horses per entry. Equestrian and livestock entrants must provide their own waste removal squad to monitor and remove animal waste along the parade route and in the staging and disbanding areas. Animal participants shall be accompanied by handlers who through training, experience, or both have the capacity to reasonably control the animal.

It is recommended that a maximum of 12 out-walkers accompany any parade apparatus and should be equally divided on either side of the apparatus. Children under the age of 6-years-old must refrain from walking as a parade participant.

Entries depicting violence, drugs, illegal activities, or that are otherwise deemed inappropriate by City staff (Sheriff, Police, etc.) will not be allowed to participate. All entry themes are reviewed by the Special Events Committee and the committee reserves the right to refuse the participation of any entry. No obscene, vulgar, violent displays, unbecoming conduct, or vulgar language by either spoken or written word will be allowed.

Parade entrants are responsible for the security of their apparatus up to, during, and after the parade.

A minimum distance of 15 feet between parade entries should be maintained at all times.

The maximum speed of any vehicle during the parade is limited to 5 mph and lower gears should be used on vehicles equipped with automatic transmissions.

Fuel tanks should be topped off just prior to the beginning of the parade; this includes any support equipment used during the parade such as generators. Spare gas cans, full or empty, cannot accompany vehicle apparatus on the parade route.

Drivers within the parade procession should pay particular attention and keep watch for spectators entering the parade thoroughfare, either accidentally or intentionally. Parade participants should in no way encourage spectators to leave the curb or move into the street for any reason.

Children under the age of 5 and less than 36" in height must be transported in a child safety seat and properly restrained according to the safety seat manufacturer's instructions.

Participants may not ride perched on top of pick-up truck bed sides. Riding on truck gates in the down position in any manner is prohibited. No discharging of firearms or simulated types of noise or fireworks are allowed.

Drivers of float vehicles are required to operate their vehicles in the center of the pre-established parade zone; operators are restricted from weaving or swerving towards bystanders to increase drama, visual effect or excitement.

By law, drivers of any and all vehicles in the parade must have a valid driver's license and class rating suitable for the vehicle being driven.

No alcoholic beverages are allowed to be consumed by drivers prior to or during the parade event.

For a full copy of the Donnelly Huckleberry Festival Parade Guidelines, please contact Allison Hatzenbuhler: Parade Marshal at (408) 891-1441 or via email at: ahatzen@54321.com
